

Covenant Baptist Church

Reformed and Refreshing

February 9th, 2020

Welcome to Covenant Baptist Church. We are a Reformed church committed to three things:

- **The Exaltation of God**

We desire that the people at Covenant truly understand who God is and His rightful place in their lives as their Lord and sovereign Savior.

- **The Edification of the Saints**

We consider it extremely important to correctly teach the Bible, verse by verse, so we can properly have the Holy Spirit apply it to our lives.

- **The Evangelization of the Sinner**

We understand that God has given us the responsibility to be stewards of the Gospel and that means sharing it exactly like God gave it to us with those who need Jesus.

We would like to address these topics from God's Word so that you have the ability to defend your beliefs and have a reason for the hope that is within you. Please invite others to come. Also a word to parents: be aware that the topics on abortion and homosexuality will deal with sensitive issues for small children to hear. Please use personal discretion for your children.

Book of the Week:

The Truth War

John MacArthur

Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In *The Truth War* John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word.

Patterns of Evidence: The Red Sea Miracle Part 1 & 2

IN THEATERS

Feb. 18th-Part 1 May 5th-Part II

Tim Mahoney investigates one of the greatest miracles of the Bible. Did a mighty sea split? What secrets will be revealed?

After leaving Egypt, the Bible describes the Israelites crossing a deep sea that was miraculously split with walls of water on their right and left. When the Egyptians and their chariot force pursued, the water came crashing back down to destroy the entire army. Are miracles of this kind even possible?

Skeptics contend that no evidence has ever been found for huge numbers of people crossing the wilderness or a mighty sea. Does the lack of evidence at the traditional sites mean the events didn't happen, or might we have been looking in wrong places all along?

Join Timothy Mahoney in the next chapter of the series as he retraces the steps of Moses and the Israelites, looking for answers in Patterns of Evidence: The Red Sea Miracle Part 1 & 2.

Hear ideas from all sides of the debate as you journey back to the lands of the Bible in search of answers to one of the Bible's biggest mysteries; where is the lost sea of the Exodus, and what really happened there? Can a patterns approach help to solve the problem?

Kentucky Senate unanimously passes “born alive” abortion bill—by Jordyn Pair

The Kentucky Senate unanimously passed a bill that would ensure babies that survive an abortion are given medical care.

The born-alive abortion bill passed the Senate with a unanimous 32-0 vote. It will now go on to the state’s House of Representatives.

The bill would require doctors and other healthcare workers to provide “medically appropriate and reasonable life-saving and life-sustaining medical care and treatment” to infants born alive during abortion attempts. It also bans doctors and other healthcare workers from denying that treatment. Failing to follow the law would be considered a felony.

“We want to make sure that life is protected not only in the womb, but certainly after the baby’s out of the womb,” said Sen. Whitney Westerfield (R-3), who sponsored the legislation.

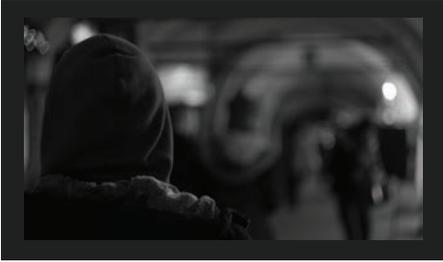

The American Civil Liberties Union of Kentucky has provided pushback on the bill, saying that abortion is “necessary.”

“Kentuckians must be able to avail themselves of this care, regardless of the personal opposition our elected officials may have to this procedure,” ACLU of Kentucky advocacy director Kate Miller said in a letter last week. “Bills like these perpetuate myths and lies about abortion care, patients who receive this care, and the doctors who care for them.”

Westerfield said that the law is there to punish people trying to kill a human life.

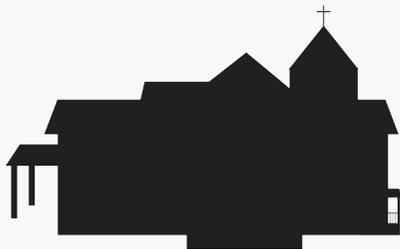

“Who can dispute that that’s a human life?” Westerfield said. “It’s outside the womb. It’s alive. Who would advocate for it to be killed?”
